Subject: Question Re SOW with ICIAP - FMC

Anthony

Thought I should mention that the UAO for RD/RA we issued in 2013 to implement the interim ROD for the FMC operable unit of the Eastern Michaud Flats NPL Site includes requirements for an ICIAP at paragraph 46(c). If you're interested, the UAO and IROD are available at:

There is no SOW and the required ICIAP is still being developed and has not been approved.
